

	max. voltage / VAC tolerance: +10%	230	400	500	575
max. current / ADC					
5	full wave rectifier	32 07350A00			
		- DC-side switching - moulded			
	half wave rectifier	upon request			
	max. voltage / VAC tolerance: +10%	415	500	575	
max. current / ADC					
2	full wave rectifier	32 07223A50 32 07323A40		upon request	
		- CE as per EMC Directive - DC-side switching - variable mounting especially for motors - compatible with over-excitation rectifiers 32 17x2xAxx			
	half wave rectifier	32 07222A50 32 07322A40			
		- CE as per EMC Directive - DC-side switching - variable mounting especially for motors - compatible with over-excitation rectifiers 32 17x2xAxx			
1	half wave rectifier	32 07222A11			
		- DC-side switching - variable mounting especially for motors - compatible with over-excitation rectifiers 32 17x2xAxx			
	max. voltage / VAC tolerance: +10%	500			575
max. current / ADC					
2	full wave rectifier	32 07103A00 32 07303A00 32 07303A01			
		- small size - moulded			
1	half wave rectifier	32 07102A00 32 07302A00 32 07302A01			upon request
		- small size - moulded			

Rectifiers - Dimensions (mm)

	max. voltage / VAC tolerance: +10%		230	400	500	575
max. current / ADC	5	full wave	32 07350A00			
	5	half wave	upon request			
	max. voltage / VAC tolerance: +10%		415	500	575	
max. current / ADC	2	full wave	32 07223A50 32 07323A40		upon request	
	2	half wave	32 07222A50 32 07322A40			
	1	half wave	32 07222A11			
	max. voltage / VAC tolerance: +10%		500		575	
max. current / ADC	2	full wave	32 07103A00 32 07303A00 32 07303A01			
	1	half wave	32 07102A00 32 07302A00 32 07302A01		upon request	
			32 0710 . A00	32 0730 . A00	320730 . A01
